General Overview – Miss Showgirl

The Miss Showgirl Competition provides young women the opportunity to represent their town and region while being involved with a wonderful Queensland tradition – their local show! The Miss Showgirl acts as an ambassador for the Emerald Show for 12 months – her role is to encourage and promote the Show to the local youth to advance young Queenslanders and build community spirit. She is selected for her knowledge, her presentation and her passion for her community. The Awards provides an opportunity to excel in leadership, community involvement, self-management and confidence.

The aim of the Miss Showgirl Competition is to broaden the knowledge and participation of our youth in the Show Movement and in return, the entrants will learn life-long skills and gain personal development. The competition is not a beauty contest, nor is it an ‘intelligence’ test: it is for young women to raise the profile of the Emerald Show. With public speaking and official duties being a significant part of the judging and following representative duties, your self-confidence will rise to a level you never thought possible and networking opportunities are there for the taking.
